

THE TRUE DEMOCRAT.

JOHN G. COLLINS, Publisher.

PUBLISHED EVERY FRIDAY MORNING.

The Ladies aid society of the Presbyterian church requests us to return their thanks to the public for the liberal patronage they received at their Christmas Bazaar, and also to the merchants who so liberally contributed, and to the members of other churches who worked so faithfully with them. The Christmas goods and other fancy articles, which were left unsold, are in the hands of Mrs. J. W. Coles, who will take great pleasure in showing them, and who will dispose of them at reasonable prices. See her.

In Praise of Chamberlain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack if given at the first appearance of the disease. It is especially adapted to children, as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphreys, a well known resident and clerk in the store of Mr. E. Lock, of Alice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfactory and it gives me pleasure to recommend it." For sale by all druggists.

Rev. F. Pasco was elected editor of the Florida Christian Advocate at Conference, and Rev. J. B. Ley, the former editor, was sent to Jacksonville. The Live Oak Democrat says of them: "The information is received here with regret by the many friends of Rev. J. B. Ley and family, as it bears the probability of their removal from among us. During their residence here they have become identified with the best interests of the town that such a thing will be sorely regretted. At the same time a warm welcome awaits his successor, as he, too, has many warm friends in Live Oak."

La Grippe and Pneumonia.

Pneumonia often follows la grippe, but never follows the use of Foley's Honey and Tar. It cures la grippe, coughs, and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Osgood street, Chicago, writes: "My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50-cent bottle cured her cough entirely." Refuse substitutes. Sold by all dealers.

Col. T. V. Kessler and Mr. J. W. Lurton, of Pensacola, were in the city Wednesday. Col. Kessler is a member of the governor's staff, and a prominent and popular citizen of the Deep Water City. He has recently recovered from a very severe and protracted illness, and his legion of friends rejoice with him over his almost marvelous restoration to health. Mr. Lurton is the well known District Passenger Agent of the L. & N. R. R., and also counts his friends by the thousand throughout Florida.

Failed.

All efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It stops the cough, heals the lungs and prevents serious results from a cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Sold by all dealers.

Brother John Caldwell, of the Jasper News, who has a fixed habit of expressing decided opinions in vigorous English of unmistakable meaning, says that it is all a mistake to suppose that he is "sour, cross or ill natured," and he declares on his sacred honor that there is not a newspaper man or woman in the world against whom he entertains the least malice, grudge or ill-will. "This is the right spirit in which an editor should do his work and only in this spirit can he do it with the highest effectiveness. Hereafter when the fur flies we shall understand that Brother Caldwell chastens us because he loves us, and while he may hate our sentiments, he wouldn't hurt us for the world."—Live Oak Democrat.

Several citizens of this city attended the Confederate Veterans' reunion at Jacksonville this week, among them Mr. Thos. Costa and Mr. John Humphries.

That Mullet Law.

Woodville, Fla., Dec. 12, 1905. Editor True Democrat: Please allow me a small space in your valuable paper, as I noticed the transaction of the Justices' Court in Crawfordville, with Hon. R. Don McLeod in the chair, testing the fish law. It seems that we people of this section are out of the State of Florida. If this is true, we would like to make Woodville the capital of this section. It seems a sad fact that we pay sixty men \$6.00 per day to make laws, and they are of no effect. We had better dissolve and go back to the Spaniards. Was not this good old State bought from the Spaniards many years ago by our forefathers, and we have been living under that administration, and now have just found out that we are not a part of Florida? We, who live west of the St. Marks river, are in Spain. This looks as if we have been living off of some one else's privileges. We will not write any more at this time, but will ask for more space in your paper later for news from this section. I wonder where Governor Broward is, that he does not see that the laws are enforced? W. D. L.

Doctors Could Not Help Her. "I had kidney trouble for years," writes Mrs. Raymond Conner, of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure. It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this, good health is impossible. Sold by all dealers."

So long as we love we serve; so long as we are loved by others I would almost say that we are indispensable; and no won is useless while he has a friend.—Robert Louis Stephenson.

"CUT IT OUT"

says the doctor to many of his lady patients, because he doesn't know of any medicinal treatment that will positively cure womb or ovarian troubles, except the surgeon's knife.

That such a medicine exists, however, has been proved by the wonderful cures performed on diseased women, in thousands of cases, by

GAVE UP SUPPORTER

"I wore a supporter for years, for my womb, which had crowded everything down before it, writes Mrs. S. J. Chrisman, of Mansville, N. Y. "I suffered untold misery and could hardly walk. After taking Cardui I gave up my supporter and can now be on my feet half a day at a time."
